Baptist Association

I attended the Christain Free-will Baptist Association at Bear Cove Church near Sparta Tenn., there was quite a large delegation of both preachers and delegates from the various churches.

I did not think I would attend this fall, but when the time came for us all to go I was persuaded that I should go also.

I started rather late for me to make the trip in time to be there the 1st day. Before it closed I stopped over at Sparta, meeting my old friend and brother Johnson Lee returning from the Association he informed me that he and I had been assigned to the

home of brother Will Townsen, the livery man of Sparta, while we attended the association so we drove to his stable, he caring for our stock, we then went to his home where we found the latch string hanging upon the out side of door and his kind hospitable family welcomed us in, so we made our home during our stay. We pray Gods richest blessings upon brother and sister Townsen and their pleasant home for their kindness extended towards us Baptist brethren during our stay with them, also we shall not forget all the good people in and around Sparta for their kind hospitality in opening their doors in welcome and extended invitations to the delegates and preachers of the Stone Association which shall be remembered by us.

We had the pleasure of meeting and striking glad hands with quite a number of old acquaintances and kindred that reminded me of the great reunion that is to be taken place in the bright beyond where we can engage in hand-shakes and in hyming songs of Eternal melody.

With prayer and best wishes for all. A VISITOR.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
